MAUSER 18 Fenris

Uncompromising, powerful, robust: The new MAUSER 18 Fenris was named after the wolf Fenrir from Norse mythology.

Thanks to the ergonomic GRS stock with height-adjustable comb and the length-adjustable recoil pad, it can be adapted to any situation in a matter of seconds. Whether in active hunting or at the shooting range: This "predator" puts hunters who focus on practical application and shooting prey at the ultimate end of the food chain.

RRP: 1,899 EUR

All features at a glance:

- ergonomic GRS stock made of fibreglass reinforced high tech polymer
- adjustable comb for optimum, intuitively fast target acquisition
- adjustable stock length for fast adaptation to any shooting position
- non-slip honeycomb texture on the pistol grip and forearm
- steep pistol grip for perfect position of the shooting hand
- 5+1 removable magazine, optionally 10+1 (depending on the calibre)
- crisp direct trigger with 1,000 - 2,000 g
- highly reliable 3-position safety catch
- cold hammered 19 mm thick solid barrel with M17x1 muzzle thread
- solid 3-lug bolt

Barrel length	47 cm	51 cm	56 cm	62 cm
